St. Patrick of Heatherdowns School
Toledo, Ohio

Dear Parents,

Thank you for entrusting your child(ren)'s educational instruction to St. Patrick of Heatherdowns School. We look forward to a wonderful fulfilling school year. Please be advised that in accordance with the laws of the State of Ohio, every school must inform parents of its policies and procedures. This handbook is to be considered your notification of St. Patrick of Heatherdowns School policies and procedures. In addition, this handbook will give parents a current staff listing, information on curriculum, and information on other topics of interest.

At the end of this document there is a link to confirm that you have read the handbook, and if you would like to receive communications via email or hard copy.

As noted in this handbook, communication between school and parent is a vital part of your student's success at St. Patrick of Heatherdowns School. In our effort to "go green", our communication is primarily done via e-mail/web-site. If you do not have access to a computer to retrieve these communications, we will supply a paper copy of them to you via the "Friday Folder".

Should you have any questions regarding this handbook or any other information regarding our school, please feel free to contact me in the school office.

Thank you, in advance, for your time and support of the St. Patrick of Heatherdowns Parent Handbook.

Yours truly,

Mrs. Tina Abel

Principal

ST. PATRICK OF HEATHERDOWNS SCHOOL PHILOSOPHY STATEMENT

“Education is one of the most important ways by which the Church fulfills its commitment to the dignity of the person and building of community.” (National Conference of Catholic Bishops. To Teach As Jesus Did, Chapter I, Article #3)

Catholic schools have the responsibility to inculcate spiritual values while developing the intellectual, social and physical aspects of the individual.

To achieve these objectives, St. Patrick of Heatherdowns School has been set up in accordance with standards established by the State of Ohio, the Diocese of Toledo and St. Patrick of Heatherdowns Parish.

Briefly, the goals of St. Patrick of Heatherdowns School are:

- ♣ To build Christian attitudes by creating a community of faith.
- ♣ To preserve our Catholic Faith through the teaching of doctrine and tradition.
- ♣ To instill respect for the dignity of individuals, for personal property, and for civil law.
- ♣ To teach the basic values of service through personal involvement in the Church and civic communities.
- ♣ To assist in the development of self-discipline, courtesy, and a social conscience to work for the common good.
- ♣ To prepare students academically for high school.
- ♣ To enhance appreciation of the arts.
- ♣ To promote good health habits, drug-free living, and proper physical fitness.

MISSION STATEMENT

St. Patrick of Heatherdowns, a Roman Catholic school community, is committed to assisting families in educating their children spiritually, intellectually, emotionally, physically, and socially in a Christian environment.

BELIEF STATEMENTS

The St. Patrick of Heatherdowns school community is composed of students and their families, educators, and parishioners.

- ♣ We believe each person is a valued, unique individual.
- ♣ We believe in fostering the Gospel Guidelines and Life Skills taught in our school.
- ♣ We believe students and their families share responsibility for student learning and behavior.
- ♣ We believe our instructional practices accommodate a variety of learning styles to meet the needs of the students.
- ♣ We believe in preparing students to be life-long learners who share their talents as responsible citizens.

ADMISSION POLICY

St. Patrick of Heatherdowns School admits students of any race, color, creed, or ethnic origin with all rights and activities generally accorded or made available to students. We do not discriminate on the basis of color, race, creed or ethnic origin in administration of our educational and admission policies, athletic or other school administered programs.

CODE OF ETHICS

St. Patrick of Heatherdowns Catholic School is committed to working with parents/guardians for the good of their children. We are committed to treating students and parents with respect and we value open, honest communication. Parents' decision to enroll their children in St. Pat's indicates a willingness to support and cooperate with the administration, faculty and staff of the school.

Complaints or concerns should be handled at the lowest possible level. Persons having a concern or discrepancy with a teacher/employee should go directly to that teacher/employee before contacting the Principal. Attempting to work out difficulties mutually is consistent with the Lifeskills being taught at St. Pat's. Only after such attempts have failed, should administration be contacted.

Posting concerns and complaints on social media or any other outlet without attempting to work out problems mutually may have a harmful effect on the Parish/School its reputation, employees, and students. A circumstance that causes defamation or embarrassment to St. Patrick of Heatherdowns Parish/School, its employees, regardless of oneself, student or third party and regardless of being on the school premises may require a family to seek an alternative educational environment if unresolved issues undermine the mission and beliefs of St. Patrick of Heatherdowns Catholic School.

As part of the enrollment process, Parent/Guardians are required to read, sign and return the last page of the "St. Patrick of Heatherdowns Handbook and Code of Ethics" by the November 1st.

SCHOOL OVERVIEW

ADVISORY COUNCIL

The role of the School Advisory Council is to advise the principal and/or pastor regarding school policy. It is up to the principal and/or pastor to make any final decision that would apply to the school.

CHAIN OF COMMAND

Complaints or concerns should be handled at the lowest possible level. Persons having a concern or discrepancy with a teacher/employee should go directly to that teacher/employee before contacting the Principal. Attempting to work out difficulties mutually is consistent with the Lifeskills being taught at St. Pat’s. Only after such attempts have failed, should administration be contacted. If the issue is not resolved, the pastor will be notified and he is considered the local superintendent and final authority.

COMMUNICATION

School-to-home and home-to-school communication is a vital part of a successful education. It is the parent(s) responsibility to keep the office informed of current phone numbers, home and email addresses. In most instances, communication from St. Pat’s will be sent via e-mail, through Gradelink or Constant Contact. If you do not have an e-mail address, you must request a hard copy of the communications, which will be sent home with your child in the “Friday Folder”. This folder serves multiple purposes; information from the school and/or parish, along with your weekly communication from your child’s teacher regarding missing/late assignments, conduct or other valuable information from the teacher. Other information sent in the Friday Folder will include flyers, lunch menus, activities and special events. A newsletter with announcements and upcoming events is sent each week via Constant Contact, but upon request will be included in the Friday Folder. The Friday Folder is to be signed by a parent and is to be returned each Monday for reuse. Replacement folders can be purchased in the office for \$2.00.

TRANSPORTATION

Six bus systems serve St. Patrick of Heatherdowns: Toledo City Schools, Maumee City Schools, Anthony Wayne School District, Perrysburg Schools, and TARTA. Students must have an identification pass to ride TARTA.

Students riding the various school districts’ buses are expected to follow that school district’s “code of conduct.” Any disturbances on the school busses while parked or moving will be reported to the administration and disciplinary action will be taken.

Students must comply with State Regulation #3301-83-08 (13) regarding bus transportation. This states that students will ride their regularly assigned bus and load and unload at their regular stop. Please do not expect your child to be given permission to ride any other bus. Each bus system is insured only for those students who are assigned to its busses. The principal is the only one who can give such permission and such permission will be considered only in extreme necessities. Maumee, Perrysburg and Anthony Wayne busses do not allow any students other than those assigned to it to ride their bus.

TRAFFIC FLOW/PATTERN

To help keep the students safe, along with the ease of entering and exiting the grounds of St. Patrick of Heatherdowns, a one way traffic pattern is in effect. Entrance is from the Heatherdowns Boulevard side of the premises (between the school and the Holy Family Center) ONLY. The Eastgate drive is to be used for exiting ONLY. The speed limit in the parking lot is 3 mph at all times.

Arrival

We offer a Valet service between 8:10-8:30 at the school entrance. You are asked to follow the following procedures:

1. Pull forward along the "green" curb to the next open valet stop.
2. Have your child(ren) ready to exit your vehicle upon the doors being opened by the valet.
3. Students must exit onto the curb only.
4. Parents wishing to come into the building and/or students that are not prepared to exit the vehicle **MUST** park in the parking lot and cross at the crosswalk.

Dismissal

The curb lane is for Busses ONLY. Parents are to park in a parking space and cross to the sidewalk to retrieve their student(s). Vehicles are not permitted to drive in the bus lane to park or exit.

VISITING

You are welcome to visit our school. All visitors must sign in with the receptionist in the Narthex, and will be given a visitor badge. If the receptionist is away from the desk,

visitors must report to the School Office. Before the visitor leaves, they must sign-out and

return the badge to the receptionist in the Narthex. This includes but not limited to having lunch with your student, field trips, or classroom parties. Parents/visitors must make an appointment prior to going to the classroom. Parents/visitors must have completed background checks and Virtus training. Parents/visitors are not allowed on the playground during school hours.

School hours are considered to be from 8:00am to 6:00pm. Parents may supervise their own children on the playground starting at 3:15pm if the playground is not being utilized by EDP. At no time may parents play on the playground equipment.

COMPUTING POINTS FOR HONORS

GPA is automatically computed through FACTS as certain classes are weighted differently. Listed below are the different honors that a student can achieve.

Cooperative Honors: Grades 3-8

To receive Cooperative Honors, the student must not receive U's, or no more than 2 N's in work or personal habits, or receive a grade lower than a C in any "essentials" classes (Gym, Music/Band, Technology, Art, or Spanish), and receive no more than 4 missing/late assignments, receive more than 2 demerits or 2 office referrals. The administration reserves the right to determine if Cooperative Honors is earned.

Academic Honors: Grades 5-8

The student must achieve an average of 3.0 to 3.74 to receive this honor.

Scholastic Honors: Grades 5-8

The student must achieve an average of 3.75 or higher to receive this honor.

National Junior Honor Society: Grades 7-8

Students achieving a 3.5 GPA, having zero missing assignments, zero demerits, suspensions and/or serious/continuous disciplinary actions are eligible. In order to maintain membership in NJHS once a student has been inducted, he/she must maintain the standards which were the basis for admittance. The basics include what is stated above. The GPA is regarding all core classes, including Spanish and Algebra – if the student is enrolled in either of these grade levels. We hold one induction per year after the second quarter for both 7th and 8th grades.

Members who fall below the standards that were the basis for their selection shall be promptly warned in writing by the chapter advisor and given a reasonable amount of time to correct the deficiency, except that in the case of flagrant violation of school rules or the law, a member does not have to be warned. (This paragraph is taken directly from the NJHS constitution.)

Perfect Attendance: Grades K-8

Students having perfect attendance are awarded the “Perfect Attendance” ribbon each quarter they are in school without missing ANY time during the quarter. Missed time is considered any time the school is in session and the student is not in attendance.

HOMWORK

There will be homework nearly every evening for students in Grades 1 through 8. Weekends are the exception. Assignments must be neatly written on notebook paper unless otherwise stipulated by the teacher. Late assignments may be marked lower (depending on grade level).

The “Homework Policy” for students in grades K-5 will be completely explained to the students during the first week of school and to the parent’s on the night of Parent Orientation.

**** No Homework will be assigned on Wednesday evenings. The purpose of no homework Wednesday is to give families TIME. Time to celebrate family. Time to regroup for the remainder of the week and cut down some of the busyness we all experience.**

The “Homework Policy” for students in grades 6-8 is as follows:

If homework is more than 3 days late, it will count as a failing grade. Homework will not be accepted after 3 days unless of a student illness.

Students will have two days to make up missing class work and homework for each day he/she is absent. * There are always life situations that occur in which the student is not present at school (not due to illness) for example, a death in the family. A student will have two days for each absent day to complete work he/she missed and communicate with the teacher involved, to make sure all assignments are completed with the quality expected. The computer lab is open to students for printing homework from - 8:00-8:20 am and/or 3:00-3:30

PROBATION

Students will be placed on probation at the discretion of the principal for missing/incomplete assignments, low academic scores, behavior, excessive absences or tardiness. A weekly meeting with the principal or the assigned delegate is required. It will include the monitoring of assignments, testing, absences and/or tardiness, etc.

PROGRESS REPORTS/ REPORT CARDS

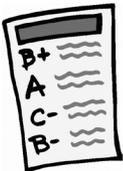

The report card, available electronically once every quarter, is a vehicle of teacher accountability to parents, parents may check the student on-line grading system regularly. At the end of the first quarter, **MANDATORY** parent conferences are scheduled so that parents and teachers may examine the student's progress more closely.

As we continue to 'go green' this is the first year that parents will not receive a paper copy of mid-terms and progress reports. Those reports will be available online through FACTS. **However, we will print out midterms and progress reports for students who are struggling to be successful and are failing two or more subjects. This will need to be signed and returned to the homeroom teacher.**

It is the policy of St. Patrick's School to alert the parents at the first sign of difficulty. **PARENTS – IT IS HIGHLY RECOMMENDED TO RECEIVE ALERTS REGARDING ACADEMICS.** Then, if other conferences are warranted, a time for such conferences will be arranged between parent and teacher.

At the end of each school year, report cards are mailed home. In the event of unpaid fines or fees, report card(s) will be held until the items have been taken care of. The exact dates for report card distribution can be found on the school's master calendar.

PROMOTION/PLACEMENT/RETENTION OF STUDENTS

Students who have met the educational requirements of this school will be promoted yearly. These requirements are based upon the Ohio State Standards and the Toledo Diocesan Courses of Study. Parents of students not meeting these requirements will be notified by the school in a reasonable time prior to the decision to retain a child or to place a child in the next grade.

A student not meeting the minimum requirements may be placed in the next grade or retained at the current grade level based on the

recommendation of the teacher and principal. If a student is placed in the next grade and does not meet the requirements to be promoted the next year, it is the school's decision to retain the student. The principal has the right to assign pupils to grade levels.

RELEASE OF STUDENT RECORDS/INFORMATION

Student records/information cannot be released to a physician, psychologist, etc. without the parent/guardian signing a Records Release form. These forms are available in the school office. Student cumulative record files/medical records will be forwarded to another school upon written permission from the parent/guardian as long as there are no outstanding fees due.

SCHOOL WORK DURING ABSENCES

If your student is absent and you will be picking up homework, please leave the request on the absence line when you call your student in. The homework will be available for pickup in the school office between 3:00 and 4:00 p.m. Requests not made when your student is reported absent will not be honored.

EXCUSED ABSENCE

This is an unplanned absence due to illness or funeral attendance.

1. The student will be given his/her assignments upon his/her return to school.
2. The student will be responsible for completing the missed work in a period of two days for each day absent. (e.g. 3 days absent = 6 days to make up work) These days include weekends, holidays, snow days, and the like. Failure to complete the work will result in a failing grade.
3. The student will be permitted to make up tests upon his/her return to school. Arrangements to make up tests must be made by the student when he/she returns to school.

“EXTENDED” EXCUSED ABSENCE

This is an absence of five (5) or more consecutive days due to illness, hospitalization, or other reason. Arrangements for assignments for an “Extended Excused Absence” only, can be made through the school office after receiving the principal's approval.

UNEXCUSED ABSENCES

This is an absence due to student and/or parent personal convenience, which would include vacations or other such situations. Personal convenience absence is not provided for under the school attendance laws of the State of Ohio. The proposed absence will be considered “Unexcused”.

1. Parents must complete a Student Leave Form at least one week prior to the date of the planned absence. A form must be requested from the school office. It is understood that the principal's signature does not indicate approval of the statement of absence, but only awareness of such.
2. Assignments are not required to be given before a scheduled absence. It is the

student's responsibility to contact the teacher for his/her assignments upon returning to school.

3. The student will be responsible for completing his/her missed work in a period of time equal to the number of days absent. (e.g. 3 days absent = 3 days to make up work) These days include weekends, holidays, snow days, and the like. Failure to complete the work will result in a failing grade.
4. The student will be permitted to make up tests upon his/her return to school. Arrangements to make up tests must be made by the student when he/she returns to school.

STANDARDIZED AND ACRE TESTS

The Diocese of Toledo utilizes MAP (Measures of Academic Progress) for standardized testing. These tests are administered twice a year; once in the Fall and again in the Spring. Testing covers the following areas Reading, Language Arts, and Math. Grades K – 2 students take Reading and Math; Grades 3 – 8 take all three tests.

ACRE Test is a religion test given to all students in the Diocese of Toledo in grades 5 and 8.

TEXTBOOKS

Most textbooks are provided by the school through funds from the State of Ohio. Therefore, students are asked to sign a "Student Use Sheet" for books once a year. Students are asked to keep books in good condition, as they are very expensive and in most cases are used for several years. Teachers may require books to be covered for protection.

Religion textbooks must be purchased by the school. We may not purchase these textbooks with any State of Ohio funds. The school will ask, in some cases, parents to cover all or part of this expense.

From time to time movies and/or videos are used in the classroom in accordance with diocesan guidelines. Movies must have a "G" rating unless otherwise stated in communication with parent.

ATTENDANCE

1. If a student is to be absent from school, for any reason, the parents or guardians are required to notify the school by a call to the attendance office **(419-389-1477)** or via email at attendance@toledostpats.org before 8:30 a.m. on the day of absence. If the duration of the absence is more than three days, proof of illness may be required.
2. An excused absence is one due to illness or funeral attendance.
3. An unexcused absence is one due to student and/or parent personal convenience, which would include vacations or other such situations. Parents are required to complete a "St. Patrick of Heatherdowns School Student Leave Form" prior to the date of a planned absence. This form must be obtained from the school office. If the form is not completed prior to the absence, the student will be considered truant.

4. Any absence, including appointments (regardless of time missed) removes a student from receiving perfect attendance.

ACCIDENT OR ILLNESS

The school aims to enforce rules that will protect the child from accidents. If an accident occurs, first aid will be administered and action taken according to instructions given by the parents on the Emergency Medical Form. Parents will be notified.

ALTERNATE DISMISSAL

The safety of your child is our primary concern, therefore, any student who is going home in a way other than their normal way (e.g. walker/rider rather than bus, going to the library, or parent picking up for an appointment) **MUST PRESENT A NOTE FROM THE PARENT GIVING PERMISSION FOR THIS**. If a note is not sent, the child will be sent home via their normal way. All students being picked up by a parent or other authorized person must be picked up on school property.

APPOINTMENTS

Whenever possible, appointments with a doctor or dentist should be scheduled outside of regular school hours. However, if a student must have an appointment during school hours, the parent must give **PRIOR WRITTEN NOTICE** to the school. If a student is leaving during school hours, the parent must report to the nurse's office and sign him/her out before the student will be released. ***Parents are not permitted to go to the classroom to retrieve their child.*** When a student returns to school following an appointment they must report to the nurse's office for an admit slip. A student will be marked tardy if they arrive after 8:30 a.m. for any reason, including appointments. The only exception will be if a bus arrives late to school. Absence or tardiness of greater than 1 ¾ hours, is considered a half day of absence. Absence of greater than 3 ½ hours is considered a full day of absence.

ARRIVAL/DISMISSAL

Students who are not being bussed may not arrive prior to 8:00 a.m., as supervision is not available unless the student is registered at the Extended Day Program. If your child does arrive before 8:00 am, he/she will be sent to the Extended Day Program and you will be billed accordingly.

After the first two weeks of school, students must walk to their classroom independently. Any items the student may leave or forget that the parent later brings to the school should be dropped off in the Narthex or School Office. Parents should not take items to the student's classroom/lunchroom.

Students not picked up after school by 3:15 p.m. or the departure of the last bus will be sent to the Extended Day Program and parents will be billed accordingly. This policy also applies to students not picked up at the designated time for all after school activities ending before 6:00 p.m. ***There is a \$1.00/minute charge for students not picked up by 6:00 p.m.***

HIGH SCHOOL SHADOWING

Middle School students wishing to shadow a high school student for a day must complete the appropriate form and have prior authorization from the principal. Forms are available in the school office or on our website. Forms must be completed and turned into the office at least three school days prior to the scheduled visit. We encourage students to shadow on days we are not in session.

INCLEMENT WEATHER

If weather conditions are such as to cause delay or cancellation, the announcement of delay or closure will be announced as "Toledo Catholic Elementary Schools", this includes St. Patrick of Heatherdowns and the procedure will be as follows: A decision will be made as early as possible and television stations and as many radio stations as possible will be notified. An email blast will be sent as soon as we are made aware of delay or closure. Please do not call the school or parish.

TRUANCY - EXCESSIVE TARDINESS/ABSENTEEISM

School begins at 8:30 a.m. Any student coming to school after this time, regardless of reason, must report to the school office for an Admit Slip. If your student rides a bus to school and the bus arrives late to St. Pat's, your child will not be marked tardy. Parents must notify the school if the student is absent for the day.

Excessive absenteeism or repeated tardiness is considered truancy and will result in notification to the proper authorities of possible educational neglect on the part of parent/guardian. Additionally, the student may be asked to find another school.

A student may be considered as "habitually truant" under Ohio Rev. Code 3321.01 when the student misses the following without a legitimate excuse.

- ♣ 30 or more consecutive hours (4.5 days)
- ♣ 42 or more hours in a month (6.25 days)
- ♣ 72 or more hours in a year (10.5 days)

Any student who is considered truant forfeits the right to make up the work missed during the truancy. Parents will receive notification from the school of truancy.

CAFETERIA

BREAKFAST

Breakfast is free for every student in the building between 8:00am and 8:20am. Students attending the Extended Day Program in the mornings receive breakfast when they arrive. The breakfast menu is included on the lunch menu. Students having breakfast must report to their homeroom by 8:30 am or they will be marked tardy.

LUNCH

Hot lunches are provided at a cost for grades PK-8 through St. Patrick of Heatherdowns lunch program. Forms are available on our website for families requesting free or reduced prices. Lunch menus will be sent home in the Friday Folder along with an order sheet. St. Pat's must order in advance the necessary amount of food for the following month, therefore all students must pre-order for the following month. All order sheets must be returned by the indicated date for your student to purchase lunch the following month. Payment of lunches is requested with the order sheet but we understand that is not always possible. No student will be allowed to be arrears more than 3 lunches and will not be allowed to purchase additional snacks if they are in arrears. Payments are accepted throughout the month and can be made at anytime on-line through payschoolscentral.com. At no time is Pop/Soda allowed.

APPROPRIATE LUNCHTIME BEHAVIOR

In the interest of safety for all students and efficiency in finishing lunch on time so all can enjoy healthful, outdoor recreation during this lunch/recess period, all students will be expected to demonstrate appropriate behavior keeping in mind the Gospel Guidelines and the Life Skills.

In the cafeteria, students will:

1. Use patience and remain seated unless given permission to do otherwise.
2. Use integrity and refrain from throwing anything (food, empty lunch bags, etc.)
3. Be proud of your actions and refrain from taking anyone else's food.
4. Use patience, talk in quiet, conversational tone, and refrain from shouting across the room.
5. Use organization and assemble in an orderly fashion to go outdoors.
6. Use cooperation, follow directions given by lunch aides, and speak respectfully when addressing lunch hour personnel.

On the playground students will:

1. Use care to play in a safe manner, giving consideration to others' rights and safety (no fighting, deliberate pushing or kicking, no snowball throwing, no tackling, etc.).
2. Use cooperation and play only with permissible equipment (no small balls, as these can be very dangerous when thrown hard on a crowded playground).
3. Use cooperation and refrain from interfering in another's game.
4. Use responsibility and stay in the area designated for recreation.
5. Use organization and stop play activity at the first warning whistle and proceed to line up for return to the classroom.
6. Use responsibility and be quiet once inside the building on the way to the classroom.
7. Use responsibility and wear proper outerwear and footwear during inclement (rain, snow, cold) weather.

No student will be allowed to remain in an unsupervised classroom when his/her classmates go for lunch/recess. Ordinarily, if a student is well enough to be in class, he/she is well enough to go outside at recess. In rare instances, upon receipt of a physician's excuse for a student to stay indoors, the lunch aide supervisor will assign the student to a safe designated area indoors for the recess period.

In the interest of good health, students who do not come equipped with appropriate footwear to insure dry feet in inclement weather, will stand in a relatively dry area near the building during the entire outdoor recess time. They will not be allowed to join in normal play where their feet can become wet.

All students, Pre-K through Grade 8, are permitted to use the playground equipment.

CELEBRATIONS

BIRTHDAY TREATS

Students are welcome to share a birthday treat with their class on their birthday or on another day. Parents need to arrange with the teacher prior to this day for approval. Lunchtime treats or parties are not permitted. Balloons, flowers or gifts brought or sent to school for delivery to your child will not be delivered. Treats are to be limited to just the classroom, not to any past teachers or office staff.

INVITATIONS

As a Catholic school, we strive to include all students in our activities. Invitations to a party given out at school can only be given to: 1) the entire class or 2) all the girls or all the boys in the class. If the parent chooses not to include the entire group, we ask that invitations not be given out at school. The school is not permitted to give out lists of addresses and/or phone numbers.

DRESS

Students may dress-up if they wish on their birthday, or the closest day to it. If a student's birthday falls during the summer months they may choose their ½ birthday (this must be arranged with the teacher prior to the day). See the dress code section for dress guidelines. Jeans are acceptable.

CELL PHONES

Phones must be in the OFF position upon entering school and remain off until the student is dismissed and has left the school premises. They may not be used at the Extended Day Program. Phones must be stored in the student's backpack and may not be carried on the student's person at any time during the school day. After school hours, cell phones may ONLY be used outside

the church doors or in the school office with permission from a teacher or staff member who waits for the student to make the needed phone call. Calls may **ONLY** be made for pick-up arrangements. **They may not be used to text messages during the school day nor take pictures at any time on school grounds.** Internet, e-mail access, game playing, gambling or making purchases of any kind are not permitted. Harassment or threatening of persons via cell phone is not permitted. Misuse of the phone will result in the confiscation and will only be returned to a parent in the school office once the following fine has been paid: **1st offense - \$10.00; 2nd offense - \$20.00; 3rd offense - \$30.00. Any phone taken more than 3 times within the school year will be held until the end of the school year.**

2. It is appropriate to bow the head toward the altar before entering the pew.
3. Students who act in a disruptive manner while in the church will be subject to disciplinary action.

COURTESY CODE

1. When the parish priests, principal or an adult visitor comes into a room, students will greet them.
2. The proper address is to be added to the person's name, e.g. "Thank you Sister" or "Good morning, Mrs. Smith." "Yah" and "huh" are not forms of response at St. Pat's.
3. Step aside in narrow spots or on stairways and let an adult pass first.
4. Offer to help teachers or other adults, especially if they are carrying things.
5. Make a request by using "please".

4. Students will maintain QUIET in the halls so as not to disturb other classes at class exchange and lavatory times.

6. Students will not be allowed to call home because he/she is upset with a grade he/she received or to complain about a staff member or another student. These situations can be addressed at the end of the school day.

GUM CHEWING BAN

Gum in itself is a harmless commodity. In school, its disposal creates many problems. Therefore, chewing gum on school property and at school functions is subject to disciplinary action. Evening functions are included under this ban. We respectfully request parents to refrain from gum chewing on the premises in order to motivate the students.

DISCIPLINE CODE

As a Roman Catholic School, we assume that parents and students who choose St. Patrick of Heatherdowns School will sincerely support the school's spirit, its code and expectations. As a school, we build on faith development, which should originate in the home. The goals of our school can best be accomplished when students, parents, administration, faculty and staff work together in a spirit of Christian cooperation and where discipline is an expression of love and concern for a child's well being.

Discipline is an important aspect of a child's total development. The teacher's prime responsibility is to teach. Every student, as well as every teacher, has a right to a classroom atmosphere that provides the maximum learning environment. To accomplish this purpose and to maintain an

atmosphere where learning can take place, rules are established with logical consequences for misconduct. Parents are kept informed of their child's cooperation in matters of behavior and are asked to support the school's effort by their own consistency in the home. Unless the student knows that parents and teachers are working together in matters of behavior, there is little that can be accomplished to instill appropriate behavior.

St. Patrick of Heatherdowns School has begun using the PBIS (Positive Behavior Intervention and Support) approach. This a proactive approach used in establishing the behavioral supports needed for all students in a school to achieve social, emotional, and academic success. It focuses on recognizing the positive choices students make while establishing guidelines for acceptable behavior. These behaviors are taught through example and specific lessons. At times, specific student behavior needs to be addressed with consequences.

Their teachers at each grade level will address classroom behavior and consequences. This is a continuous process and will recognize each student's stage of development. All staff and teachers will address minor violations via the Weekly Friday Folder, according to the grade level disciplinary actions listed below. Should a situation occur that involves intervention/ consequence, phone contact and/or written notification will be done that day. If written notification is issued, it will state a description of the misconduct and is to be signed by the parent and returned the following school day. Signing the referral indicates that the parent is aware that the referral was given and does not imply that the parent agrees or disagrees.

BULLYING

Bullying is unacceptable anywhere within St. Patrick of Heatherdowns School and will be handled with the utmost regard to all students and faculty. In an extreme situation, the principal may impose immediate expulsion.

Harassment, intimidation or bullying by any student at St. Patrick of Heatherdowns is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school. "Harassment, intimidation, or bullying", in accordance with R.C. 3313.666 means any intentional written, verbal, graphic or physical act including electronically transmitted acts i.e., Internet, cell phone, personal digital assistant (PDA), or wireless hand-held device, either overt or covert, by a student or group of students toward another student or students, including intent to harass, intimidate, injure, threaten, ridicule or humiliate.

New apps and social media sites seem to crop up and gain popularity with students overnight. St. Patrick of Heatherdowns works to:

1. **Create a safe zone:** Encourage an open environment for discussion. Students need to know they are in a safe environment to discuss issues regarding what happens on social media.
2. **Define it:** Help students to distinguish what cyberbullying looks like. Cyberbullying

is defined as “willful and repeated harm inflicted through the use of computers, cell phones, or other electronic devices.” Not every problem between peers can be counted as “bullying,” parents, administration, and students must work together to distinguish a hurtful joke gone wrong versus repeated online harm that requires formal action from the school. Harmful jokes have consequences that would be determined on a case-by-case basis.

3. **Stay in the know:** The school will inform students- parents - and faculty - about safety, reporting and blocking tools. Most social media networks offer a variety of safety and reporting tools to combat bullying and other inappropriate behavior. The school will make sure students, parents and faculty know about those tools and how to report inappropriate or cyberbullying behaviors.
4. **Report it:** Administrator will put together a report. Reports will include any but limited to the following features: screenshots, both on desktop and mobile devices, user IDs and detailed statements from everyone involved. Reports will be utilized in determining next steps if the situation requires escalation to local authorities.
5. **With great social media posts comes great responsibility:** Today’s digital users often do not distinguish online social activity as something separate from how they present or communicate offline. The choices users make online can be permanent and have lasting consequences. Parents, administration and staff need to foster an open dialogue with users on these risks. Frequent, informal check-ins and reminders about this responsibility, along with things like highlighting relevant examples when they arise, are powerful and effective ways of educating and developing digital responsible persons.

Besides cyberbullying, there are different types of bullying: (again, bullying is willful and repeated behavior)

1. Physical Bullying: hitting, tripping, punching or pushing
2. Verbal Bullying: name calling, insults, teasing
3. Hidden Bullying: lying, spreading rumors, mean looks, mean jokes or pranks

If a situation is determined to be bullying (of any type) and not a conflict between students,

1st offense: 5 demerits -- automatic detention and meeting with student’s parents.

2nd offense: 2 day out of school suspension

3rd offense: student will be asked to find another school to continue their education.

* The school reserves the right to handle each situation on a case-by-case basis depending on the “Severity” of the situation; meaning the severity of the first offense may result in suspension or removing the student from the school.

Portions of this policy are taken from frameworks of other schools in this area and Addressing Cyberbullying by Jill Berkowicz and Ann Myers, October 30, 2015.

MISCONDUCT

Misconduct includes, but is not limited to, behaviors that do not contribute

to academic and social success or conduct unbecoming a student in a Catholic school. These behaviors do not model the Gospel Guidelines and Life Skills. The frequency and/or seriousness of the situation will determine how misbehaviors are handled. Misconduct would also include, but not be limited to the following serious behaviors:

- Profanity/inappropriate language and/or gestures
- Verbal or written harassment/threat of and/or to another student
- Dishonesty – lying, cheating, stealing, plagiarism, or forging a parent’s signature
- Destruction of property (reimbursement must also be made)
- Fighting
- Skipping class

DEMERIT SYSTEM - GRADES 3-8

To encourage behavior that is conducive to maximum learning, positive reinforcements are frequently given. We focus on the Gospel Guidelines and the Life Skills in order to help students make good choices. Grades 4-8 use a check system to help the children realize that the choice they have made is a poor choice and to give them the opportunity to choose better in the future. Two checks in one week will equal a demerit. Demerits are accumulated on a quarterly basis. A student may receive a demerit(s), bypassing a check for the following behaviors.

Number of

| <u>Demerits</u> | <u>Misconduct</u> |
|-----------------|---|
| 1 | being out of class or late without permission or an excuse |
| 1 | consuming food outside the cafeteria without permission |
| 1 | misuse of property |
| 1 | disruptive and/or inappropriate behavior |
| 1 | throwing objects in classroom or school building |
| 1 | chewing gum (during, before, and after school hours) |
| 2 | disrespect to authority and/or failure to comply with directives |
| 2 | profanity/inappropriate language and/or gestures |
| 2 | dishonesty – lying, cheating, stealing, plagiarism, or forging a parent’s signature |
| 2 | destruction of property (reimbursement must also be made) |
| 5 | verbal or written harassment/threat of and/or to another student |
| 5 | fighting/harassment |

DEMERIT ACCUMULATION SCALE

5 demerits = a one-hour detention served after school is dismissed, from 3:15 – 4:15. A letter will be sent to the parents indicating the date the detention will be served. Any student failing to serve their detention on the assigned date/time will automatically receive an additional detention.

10 demerits = a one-hour detention and a conference with student, parents, teacher(s) and principal.

**** If a student accumulates more than 10 demerits in one quarter, a conference is required to determine if St. Patrick of Heatherdowns is**

the best environment for the student to continue his/her education. A contract will be written and signed by all parties in order for the student to remain at St. Patrick of Heatherdowns.

SUSPENSION AND EXPULSION POLICIES

In order to effectively insure the rights and responsibilities of the entire school community, and in order to secure and maintain conditions which are most favorable to learning, the following regulations will apply not only to conduct on school property, but also to all school related activities and behavior to and from school.

The list of offenses has been established to reflect the feelings of the faculty, students, and parents. It is hoped that the students will understand the seriousness with which we view the listed offenses.

Students will be suspended or expelled only at the decision of the principal/assistant principal. Suspensions usually consist of one, two or three days.

In-school suspension is at a cost of \$75.00 per day to the parent (due at the time the suspension begins) and all work must be completed. Out of school suspensions will be dealt with accordingly. The final appeal for any disciplinary question is with the pastor. The following infractions are considered to be of a serious matter, which bring serious consequences:

1. Possession of intoxicant drugs, "look-alike substances", cigarettes, lighter/matches or weapons.
2. Property destruction. The parents are notified and the cost assigned for damages.
3. Sexual, written or verbal harassment.
4. Indecent/improper behavior that is offensive to peers or a community (i.e. bullying of any sort).

DEATH OF A PARENT

It is the intention of St. Patrick of Heatherdowns School to continue to provide an education in our facility to those students who would otherwise be forced to leave due to financial constraints in the event of a parent's death or diagnosed terminal illness. The student(s) eligible for this benefit must remain in good standing with the school. Both the Pastor and the Principal would review the continued extension of this benefit annually.

DRESS CODE

This code has been formulated through communication with parents, teachers, administration and the St. Patrick of Heatherdowns School Advisory Council. We believe students should use the Life Skill of responsibility and take pride in himself/herself in the school and to always dress using common sense within the dress code without being reminded to do so.

We expect that parents will offer the first and best counsel to their sons and daughters in this matter and recognize that the student shares in this

responsibility. It is the joint responsibility of the classroom teacher and the school administration, along with the full cooperation of the parents to enforce this dress code. Furthermore, St. Patrick of Heatherdowns is committed to educating students to understand that self-expression is best illustrated by the quality of one's character that can be revealed through behavior and attitudes. We are aware of the impact that student attire has on these attitudes and behavior and believe that higher standards of dress results in better behavior. Our desire is to foster a respectful environment where individuals are appreciated for themselves, not for their apparent social, economic or peer group status. The use of discretion is often necessary. The ultimate interpretation and enforcement of the dress code must rest with the school administration.

St. Patrick of Heatherdowns School has contracted with Schoolbelles for their plaid jumpers and skorts. Please Note: Previously purchased jumpers and skirts purchased from Educational Outfitters will be allowed until un-wearable under the discretion of the school office. All uniforms or alternate wear must be neat and clean.

PLEASE NOTE: A dress code violation equals 1 check for grades 3-8. Two checks in one week for being out of dress code will receive 1 demerit.

Students may also wear a St. Pat's sport team shirt/jersey. On these days we are showing our St. Pat's pride and promoting St. Pat's. ATHLETIC JERSEYS

Students may wear their current St. Patrick of Heatherdowns athletic jersey/shirt with regular uniform pants/skirts on Thursdays during that sport season ONLY. i.e. baseball jersey/shirt during baseball season, basketball jersey/shirt during basketball season. Any jersey/shirt that does not have sleeves must have a sleeved white undershirt or their regular school shirt under the jersey/shirt. No other type of shirt may be worn under their jersey, i.e. Under Armor. No jersey/shirt other than a current SPH team jersey/shirt may be worn.

BOY/GIRL SCOUT UNIFORMS

On scout meeting days, the scout uniform may be worn in place of the school uniform.

It is important that all of your child's coats, gloves, boots, hats, and other property be labeled with the child's name.

EVACUATION POLICY

Emergency (fire/tornado/lockdown) drills are conducted monthly in compliance with State Safety regulations. In the event the school has to be evacuated for a lengthy period, our students will be moved first to the Holy Family Center and then if need be will go to either Andover Apartments or South Toledo Golf. Instructions on how to pick up children will be broadcast on all radio stations.

EXTENDED DAY PROGRAM

St. Patrick of Heatherdowns School offers an Extended Day Program (EDP) for its students, at an additional cost. Students in our PK ½ Day Program may use EDP during the morning ONLY. The EDP program is housed in our cafeteria. Students must be registered with EDP to use the program. Students attending the after school session of the program, have use of the gym and/or playground. Students must follow the school code of conduct at all times.

EXTRA-CURRICULAR ELIGIBILITY

The following is the guideline of eligibility for players set forth by the Catholic Youth Organization (CYO) which is a part of the Catholic Youth and School Services Department of the Toledo Diocese and St. Patrick of Heatherdowns Parish. Failure to adhere to the following will result in a player being "benched" during practices and/or games or ultimately being suspended from the team.

It is our hope that as parents you will help to instill the value of sportsmanship

and importance of education to your child(ren) by following the established guidelines.

1. Players must be a member of St. Patrick of Heatherdowns Parish, attend school at St. Pat's or St. Pat's Family Faith Formation classes.
2. Non-parishioners who attend St. Pat's are eligible.
3. The player must play at the designated parish in which parent(s) and/or legal guardians are registered.
4. The Parish pastor has the ultimate authority to determine eligibility to participate on parish teams.
5. A player must be in school attendance in order to play or practice that day. If a student is absent from school on a Friday, he/she may not participate in any event Friday night. If a player misses 3 or more Friday's he/she cannot participate in Saturday/Sunday events.
6. All players (5-8) must maintain a minimum 2.0 GPA to be eligible to play; GPA is monitored through Gradelink and an email alert is sent to the administration for any student dropping below a 2.0 on any given day. Administration will contact the student, parents and coaches to relay ineligibility. All Family Faith Formation students MUST present their quarterly report card to their coach for verification.
7. Students will receive a warning if he/she has a failing grade in a core subject. The number of assignments that resulted in the failing grade will be taken into account, as at the beginning of each quarter. A single assignment could result in a failing grade.
8. No player may have more than 3 missing assignments or receive more than 2 demerits in a given week. This is to be determined by the students' weekly Friday Folder.
 - a. 1st offense = Missing one recess period
 - b. 2nd offense = 30 minute after school detention
 - c. 3rd offense = Missing one game
9. Any player suspended from school shall not be permitted to practice or play in games during the length of the suspension. They will also not be permitted to play in the next game after their suspension is over.
10. Any student being expelled from St. Patrick of Heatherdowns will automatically be suspended from St. Pat's sports teams.

ITEMS NOT PERMITTED AT SCHOOL

For a variety of reasons, such as safety and good order, students are not permitted to have certain items on the school grounds and may result in forfeiture, suspension or expulsion. These items include, but are not limited to the following: 1) portable electronic games or devices, 2) laptop computers, 3) iPods 4) CD players, 5) electronic readers, 6) beepers/pagers, 7) laser pointers, 8) Frisbees, 9) hard balls (handballs, baseballs, etc.), 10) skateboards, 11) rollerblades, 12) weapons/handguns and/or look-alikes including pocket knives. 13) Fidgets, 14) Slime. Anyone bringing these items to school will forfeit them to the administration until a parent comes to pick the item up.

MEDICATION POLICY

The Ohio Board of Nursing prohibits the administration of any drug (prescription or nonprescription) without the order of a physician and permission of a parent or guardian. Doing so could be interpreted as practicing medicine and is, therefore, prohibited by law.

To comply with state legislation (Section 3313.713 Ohio Revised Code) and to comply with the Diocese of Toledo medication policy, the following guidelines are to be followed when it is necessary for school personnel to administer medication during school hours:

1. If possible, all medication should be given by the parent/guardian at home.
2. A written request must be obtained from the physician and the parent/guardian before medication may be administered by school personnel.* The request must include instructions as to the name of the medication, dosage, time to be given, possible side effects, and duration of the request.
3. New request forms must be submitted each school year. At every dosage change, an updated physician's statement is required.
4. All medication must be in the original container with an affixed pharmacy label if applicable. Parents/guardians are asked to bring medication to school in person. A one-month supply at most will be accepted. Empty bottles will be returned home with the student. At the end of the school year, an adult must pick up all medication or it will be destroyed.
5. Medication will be stored in a locked area in the Nurse's Office.
6. The school nurse, or other individual designated by the principal, will administer all medication.
7. Dispensing of cough drops will be at the discretion of the homeroom teacher.
8. Students are not permitted to keep medication with them while at school. The only exception is for an inhaler, which a doctor feels should remain with the student. A special form is then required to be on file at school.
9. A parent may come to school and administer the medication to their child.
10. Acetaminophen and/or Ibuprofen may be administered at school to your child when written permission is granted on the blue St. Patrick of Heatherdowns Family Emergency Procedure Card. The dose will be based on the child's age and weight according to the labeled directions, if you do not specify otherwise. Generic Tylenol & Advil are available in the Nurse's Office. You are encouraged to send an individual supply labeled with your child's name and desired dosage.

STUDENTS COMMUNICATING SUICIDE

Students who communicate or comment in writing, verbally, or on a social media platform will:

1. The first time, we will have a meeting with the family
2. The second time, the student will need to be evaluated by a licensed professional. In order to return to school, the school must receive written documentation from a professional stating the student can return to school.

STUDENTS INFECTED WITH AIDS

ADMISSION AND CONTINUED ENROLLMENT

According to current medical evidence, casual contact among children and staff poses no risk in the transmission of AIDS. Children who are known to be infected with the AIDS virus will be allowed to attend school in a regular classroom setting provided:

- a. The health status of the child allows participation in regular school activities.
- b. The child demonstrates acceptable behavior, i.e., does not have a history of violent and/or uncontrollable behavior.
- c. The child is continent and in control of other normal bodily functions.
- d. A signed statement from the child's attending physician attesting to the health status of the child is given to the school principal at the beginning of each grading quarter.
- e. The child does not have open sores or lesions that cannot be covered.

Before a student is admitted, prior verification of the presence or absence of the above conditions will be made by an evaluation team consisting of the pastor or his delegate, the school principal, the classroom teacher, the student's primary care physician, the student's parents, and the school nurse, and if necessary, other personnel designated by the pastor. In the case of a lack of consensus among the team, the decision of the Pastor/Principal will prevail.

EXCLUSION

If a student, after being admitted to school, is found by the evaluation team to be not fulfilling the above conditions, he/she is to be excluded from regular attendance until such conditions are again fulfilled, as determined by the evaluation team. A student so excluded will be provided with an alternative educational program, catechetical instruction at the proper level, as well as appropriate personal and family pastoral care.

CONFIDENTIALITY

The identity of a student is confidential and every precaution shall be taken to maintain that confidentiality. Persons involved with supervising a student having AIDS shall respect that person's right to privacy and should treat such individuals with compassion and respect of their physical condition. The number of personnel who are made aware of the child's condition should be limited to the Pastor, the principal, the school nurse, and the child's teachers. Information pertaining to the child's condition shall be conveyed by direct verbal communication.

STUDENT AND PARENT EDUCATION

The Council and administration will collaborate with appropriate public health and church agencies to insure that education about the transmission and prevention of AIDS, and its social, medical and moral implications be included in the regular health and religion curricula of students at their own

proper level. Prior to its inclusion, material to be presented is to be reviewed by the principal and the school nurse for medical and scientific accuracy and for adherence to the moral teaching of the Roman Catholic Church. Parents and teachers should be provided with timely educational materials and presentations on AIDS during the course of the school year.

Teachers and maintenance personnel are to be provided with instructions for handling potentially infectious body fluids and for proper cleaning and disinfection. Recommendations provided by the Ohio Department of Health for handling of blood and body fluids are to be posted and carefully followed.

REVIEW OF POLICY

The Council shall review this policy periodically and amendments will be made as developments in the medical, educational, and moral fields regarding the care of AIDS patient's warrant.

STUDENT PREGNANCY

The Catholic Church teaches that sex is sacred, and according to God's plan, sexual love is reserved for marriage. Therefore, pre-marital sex is contrary to those teachings. In the event a child is conceived outside the sacrament of marriage, it is the responsibility of the Christian community to offer compassion and support as well as help to the persons involved. Through this support, the child can be born with as much security and happiness as possible.

Human life is sacred. The Roman Catholic Church holds the gift of human life in the highest regard. At the time of pregnancy, the girl needs perhaps more Christian help, acceptance and counsel than other members of the student body do. If the faculty and students display a positive Christian attitude and understanding toward the girl, hopefully, she may not be tempted to seek abortion as a solution. This should not be understood as approval of their action.

ACADEMICS

Sometimes it may be better in judgment of the girl, her parent(s), and/or a school committee consisting of the pastor, counselor, principal and/or student's teacher that she temporarily not attend formal classes. Academic work could be completed in any number of settings, i.e. at home with a tutor or alternative learning setting, until it is mutually agreed by the above mentioned that the student return to school. It is, however, important to point out that to be faithful to the gospel, it is not ordinarily our policy to suspend or expel the student from our school.

COUNSELING

An initial conference must be scheduled with the student, parent(s), pastor, principal, counselor and any other administrator deemed necessary, to review school policy and legal responsibilities.

If a physician has not been obtained, the student will be referred to Catholic Social Services for testing and physician referral within two weeks. A monthly check with the school nurse will be necessary to ascertain that a physician is seeing the girl on a regular basis.

Counseling with a spiritual director must be instituted immediately and continue throughout pregnancy. The student and her family may make their own clergy selection. Catholic Social Services should be informed and utilized for any necessary referrals. Other resources available in the community will be outlined.

Adoption counseling is strongly recommended as part of the professional guidance program.

PARTICIPATION

The boy and/or girl involved in a pregnancy may be excluded from activities at the discretion of a committee consisting of the pastor, principal and counselor where they become representatives of the school and where health and safety are a concern. This would apply only until after the birth of the child, at which time full participation may then be granted.

STUDENT FATHERS

As stated regarding the pregnant girl, a conference will be scheduled with the student, parent(s), principal, counselor and any other administrator deemed necessary, to review school policy and legal responsibilities. Counseling with a spiritual director must be instituted immediately. The student and his family may make their own clergy selection.

NEW STUDENT POLICY

Admission to St. Pat's will include a period of adjustment as the student learns our rules, regulations, expectations, and as we learn your child's abilities. For this reason, your child will be placed on probation for a 9-week period, beginning his/her first day of attendance or when we receive official records. Provided there are no problems with academics or discipline, probation will end at the conclusion of the nine-week period. If problems do occur at any time during the probation period, a conference will be scheduled to determine what course of action is in your child's best interest.

When the child's official records arrive from his/her previous school, the teacher(s) and principal will carefully review them. If discrepancies are found between the official record and those that were provided by the parent(s), the original application for admittance will be rejected and the student will immediately be dismissed.

All new students to St. Pat's are required to participate in all areas of academics including Religion classes that teach the tenants of the Catholic Church. In addition, each student is required to attend regularly scheduled liturgies (usually once a week) and to take an active part in those liturgies.

PARENTAL CUSTODY

From time to time we are aware that situations may arise and there may be a dispute between parents. It is the intent of St. Patrick of Heatherdowns to provide fair and impartial treatment of students within our school regardless of parental custody. Therefore, we ask that parents be mindful of not only their child but the school as well. Both parents should be listed on the school registration information unless legal documentation is supplied to the school stating otherwise. Should a legal situation arise during the school year you must notify the office with the written legal documentation so that we may adjust our records and take the appropriate steps necessary.

REGISTRATION – FEES, SCHOLARSHIPS & TUITION

Parents choosing to send their student(s) to St. Patrick of Heatherdowns understand that St. Patrick of Heatherdowns is a tuition based school and they are responsible for all tuition and fees associated with the education of their student(s). VOLUNTEERING

St. Patrick of Heatherdowns believes that parents, grandparents, and/or other important adults (aunts/uncles, etc.) are a vital part of a student's education. We expect our families to be involved. Therefore, all school families (PK-8) are asked to complete a minimum of 15 hours of service to the school and/or parish.

Parish families are required to complete the minimum of 15 hours as one of the components to maintaining their status as an Active Parishioner and to receive the Active Parishioner scholarship. Non-Parishioner families not receiving more than 75% of their tuition paid through various scholarships

may receive a Non-Parishioner Scholarship. This scholarship is granted in good faith that each family will perform at least 15 hours of service to the school and/or parish. Families must fill out the Non-Parishioner Scholarship application to receive the discount.

Volunteer hours are recorded within the period of April 1st through March 31st. Completed hours must be logged through the parent Gradelink account.

A sample of acceptable volunteer activities are: classroom helper; lunchroom/recess helper; driving for field trips; PSO activities; Scouts; coaching athletics; parish festival; funeral lunches.
